

ARMOILO™

VESA

\*VESA bracket shown not included

# VESA

Our VESA-mountable tablet enclosures are designed to be compatible with all standard 75mm VESA mount brackets to create the perfect personalized touch point. A wide variety of options are available through third parties to create static, pivoting, rotational or articulating tablet displays. Integrated brass mount points and hardware are included with every VESA mountable tablet enclosure.

## Features & Benefits

- VESA-mountable enclosure with a secure, fully enclosed ABS plastic tablet housing
- Lifetime Warranty
- Multi-tablet capability using our Tablet Fit Kit™ system
- ArmoLock™ security screws (stronger than traditional lock and key systems)
- Set up in landscape or portrait mode
- Room inside enclosure for cable routing
